Brokerage Fee

Allott shall pay the broker commissions as agreed between the parties.

If you wish not to receive upfront or trail commission, you will be required to state this figure to us in writing by email or note in each application form.

Brokerage Fee:

% of the Gross Loan Amount

Additional Trail:

% per annum

***Please note:** Brokerage Fee & Trails are subject to approval by Allott. We advise that the Brokerage Fees and Trails are added to our standard Establishment Fee & Interest rate. This means the cost is passed onto the borrower. This may affect the competitiveness of the loan offer.

You agree to always quote your Brokerage Fee and Trail to Allott on a "GST Inclusive" basis.

You understand that your Brokerage Fee is payable when the loan has been funded with Allott.

You may provide an invoice to Allott for each loan settlement.

Partner Trails

Trails are not automatically applied to a loan. You need to specifically request a trail on each loan application.

Trails are paid when the loan application sent by you and funded by Allott is fully repaid and has not gone into default. Should a client make monthly interest payments and the loan is not in default, your trail will be paid to you monthly when the Borrower makes their Interest payment to Allott.

Repeat Loans or Future Advances

If a loan application made by you has been funded by Allott and the same Borrower applies for additional funding to an existing Allott loan or requests a subsequent advance after the previous Allott loan has been repaid, the Allott team will confirm with your new Brokerage Fee and Trail commission.

A Brokerage Fee or Trail on Repeat Loans or Further Advances is only calculated on Fresh Capital. Fresh Capital is new or additional capital advances and is not calculated on capital already advanced.
